Cont. Cymes /09-30420

No condition or combination of conditions will reasonably assure the safety of other persons and the community in that:

- 1) Defendant has admitted to engaging in oral sex with a two-year child on two occasions, and at least one of those incidents occurred while Defendant was in his mother's home and the child's father was present in the home;
- 2) Defendant has currently expressed having a "crush" on a fourteen year old child;
- 3) Defendant previously requested that a female friend bring a three-year old child to his home, for what she understood to be for sexual acts;
- 4) Despite the fact that a search warrant was executed at his home in August of 2009, resulting in the seizure of thousands of sexually explicit images and/or videos depicting real children of ages ranging from one to eight years of age, at the time of his arrest on Friday, October 9, 2009, the arresting agents seized additional child pornography that Defendant continued to collect after the search;
- 5) Defendant's mother works outside of the home four days per week and thus Defendant would be unsupervised for significant periods of time if he were tethered and ordered confined to his mother's home; and
- 6) Defendant's mother's home is located near schools and a bus stop.
